Holy Family Elementary School Fees for 2018-19

Hello and welcome to the 2018-19 school year. The 2018-19 fee structure for Holy Family Elementary will be as follows:

- Religious Education Fee: **\$25.00 Individual** or **\$45.00 Family**
- Student Agenda Fee: **\$9.00 per student (Holy Family Students only – except gr. 1 and Kindergarten – Ms. Stitt)**
- Sports Participation Fee: This will be announced as the sport occurs and only for those students who wish to participate. (i.e. Gr. 7 sports, wrestling, floor hockey, etc.)
- Both kindergarten classes, gr. 1 and 2 school supplies: These 4 teachers are purchasing all the students school supplies and charging parents. The school supply fee should be given directly to the teacher. The fee will also include field trips until the amount is expended.
- Canada Games Centre activities: Recreational swimming and skating (1-7) are \$4 each and each class participates approximately 3 times per year in these activities. Swim to Survive (5-7) is \$25 and Learn to Swim (2-4) is \$50.00. No need to pay until the activity. Forms will come home about a week before. Short classes will be prorated to \$20 and \$45.

Each student (except gr. 1 and kindergarten – Ms. Stitt) will be provided with one 2018-19 Student agenda. This agenda is a communication and organizational tool for you, your child and the school and provides information that will be sent home by both the school and classroom teacher. It also contains important school guidelines and parent information concerning all aspects of student life here at Holy Family Elementary.

This year all religious education fees will be processed by Holy Family School, but you can still pay a family fee that is applicable to students in any of the three Catholic schools, please make cheques payable to **Holy Family Elementary School**. This fee is **mandatory** as part of your student's participation in the Catholic School System and it enables us to provide a distinctive, faith-based education through the integration of Catholic beliefs and values in all learning experiences.
