

Grade 5 School Supply List

Dear parents and guardians, here is the supply list for the upcoming year (2020-2021). At the moment, I am unsure if specific items may be needed due to COVID, so I would appreciate your understanding if I ask for an item once the school year has begun.

It is my experience that cheap pencils break and need to be constantly sharpened. I would greatly appreciate if you bought the Staedtler blue or green pencils.

School supplies

1. Two 12 pack Staedtler-Mars HB pencils with name on pack
2. One 3-inch binder (nothing smaller please)
3. One Hilroy 3-Subject Notebook 300 pages for Math
4. Three Hilroy 1-Subject Notebook 200 pages for French/other subjects
5. One 3-pronged duotang (for Religion)
6. One USB with name
7. One **square shaped** Kleenex box
8. Pencil case large enough to contain the following items, in addition to 2 pencils:
 - Two white erasers
 - One Elmer's All-purpose glue stick (or similar)
 - Crayola washable markers 12-pack fine tip
 - One black Sharpie fine tip marker
 - One Sharpie Accent Tank-Style Highlighters 4 –pack

Due to COVID, I will do my best to reduce the use of shared school supplies. I will keep extra supplies that cannot fit in the students' pencil cases stored in a cupboard, and distribute them as needed. Therefore, it would be a great time saver and help if you could label the notebooks and other items beforehand.

If you have any questions, please direct these to the school administration. I will be checking my email regularly once school begins August 18.

Kind regards,

Madame Rachelle
